

## 11 REMARKABLE FACTS ABOUT 9/11

1. On September 10th, 2001 Donald Rumsfeld announced that the Pentagon had 2.3 trillion dollars of undocumented adjustments, meaning that the money was 'missing'.
2. The accountants responsible for the tracking down of the missing money happened to be in the section of the Pentagon that was destroyed, thus killing them along with their investigation.
3. WTC Building #7, a 47-storey steel-framed skyscraper, part of the WTC complex, located one block from the Twin Towers (WTC #1 & #2), collapsed at 5:20pm Sep. 11th at free fall speed, imploding in a manner similar to a controlled demolition. It was not hit by a plane.
4. WTC Building #7, known as the Solomon Brothers Building, contained numerous government offices, including the CIA, FBI, FEMA, and some offices of the SEC commission. Many files relating to the Enron and MCI WorldCom investigations were lost in the collapse.
5. The BBC and CNN reported that WTC #7 had collapsed 20 minutes and 1 hour (respectively) before it actually had collapsed. Doing so on live TV with WTC #7 still standing in the background.
6. Larry Silverstein is the New York property tycoon who purchased the entire WTC complex just 6 months prior to the 9/11 attacks. Mr. Silverstein, who made a down payment of \$124 million on this \$3.2 billion complex, promptly insured it for \$7 Billion. Not only that, he covered the complex against terrorist attacks, he later received \$4.6 billion for the insurance claim.
7. How many modern steel framed buildings have ever collapsed from structural damage due to fire in history? Answer: three. World Trade Centre #1, #2 & #7. All on September 11th.
8. The company in charge of security at the WTC was called Stratesec, which includes Marvin Bush, the President's brother, as a principle owner.
9. Over 12-different military exercises were happening on that fateful day. Some involved simulations of airliners crashing into the WTC and other targets. Just a coincidence?
10. Investigations for Pearl Harbor, the JFK assassination and the space shuttle disasters, all started in about 1-week. The Bush administration resisted the formation of the 9/11 commission for 441 days.
11. Of the officially reported 19-suicide hijackers by the FBI, 7-of them are still alive!
